St. Mary's

FROM THE HEAD OF SCHOOL

Dear Alumni and Friends of St. Mary's:

I am pleased to share with you this 2007 Annual Report of Gifts for St. Mary's High School, recognizing the many alumni and friends who make a difference in the lives of our students through their loyal support of our school.

During the 2007-08 school year, we had an enrollment of 702 in grades 7-12, a 70 percent increase in the last decade, representing 34 communities including Lynn, Saugus, Revere, East Boston, Winthrop, Salem and Peabody. It is clear that St. Mary's has become one of the top Catholic schools in our area.

We have strengthened our course offerings, with the addition of Advanced Placement Statistics and Biology. Thanks to a new partnership with Marian Court College, we are offering a dual enrollment course, Introduction to Criminal Justice. By enhancing our curriculum, we give our students academic opportunities that will serve them well in their future endeavors.

This is evident in the college acceptances for the Class of 2008. For the first time in recent memory, two St. Mary's students were accepted to Ivy League institutions, Harvard University and Cornell University. Another two were honored with the prestigious Cardinal Medeiros Scholarship from Boston University. Ninety-three percent of the Class of 2008 graduates are continuing onto many fine colleges and universities and have received more than \$2.5 million dollars in scholarship assistance.

Improving technology is critical to our future success. Thanks to the generosity of our Parent Partnership, we launched a new Web site, www.smhlynn.org. It will enable us to better communicate with our alumni, friends and parents. The Web site will

“Ninety-three percent of the Class of 2008 graduates are continuing onto many fine colleges and universities and have received more than \$2.5 million dollars in scholarship assistance.”

become a resource for students and teachers as more classroom content becomes available online.

We have strengthened our Catholic identity with the expansion of Campus Ministry, providing a full-time staff presence. The St. Mary's High School Chorale enlivens school liturgies with their vibrant music. Two programs, the Community of Sant' Egidio and Rachel's Challenge have been added, all helping to create a solid foundation in Catholic spirituality that complements the classroom experience.

We are pleased by the growth of our athletic and extracurricular programs, with a highlight being the success of our girls hockey team, which finished with a perfect 25-0 record and won the first Div. 1 state championship in our school's storied history. We are also offering many extracurricular activities that enrich our students including the spring musical, drama festival, and North Shore Science League.

While there are many good things happening at St. Mary's, we recognize that our school faces many significant challenges going forward.

The financial needs of our students and families have increased significantly. While we distributed nearly \$200,000 in financial aid for the upcoming school year, that sum covers only a fraction of the estimated need. Without the continued ability to offer

such aid, many students will not be able to attend St. Mary's.

Despite the addition of the magnificent William F. Connell Center, our overall physical plant is aging with improvements needed in several areas including the Cushing Center and Tony Conigliaro Gymnasium along with the Boys High School building. We want to retain our exceptional faculty and staff, offering competitive compensation and expanded opportunities for professional development.

To address these numerous challenges, we commenced our strategic planning initiative, 2015 Vision, and convened task forces and town hall meetings to discuss how we will improve upon the St. Mary's experience in the coming years.

With your continued support, we can meet these challenges and ensure that our 127-year tradition of excellence in Catholic education continues for years to come.

With gratitude and appreciation,

Raymond A. Bastarache, Ed.D. '65
Head of School

FROM THE BOARD CHAIRS

Dear Alumni and Friends of St. Mary's:

It is with great pleasure that we speak on behalf of the St. Mary's High School Board of Trustees to offer our thanks for your dedication and commitment to our beloved school.

In October 2007, our yearlong celebration of the 125th Anniversary of the founding St. Mary's School culminated in a wonderful, fun-filled Gala, made possible through many hours of hard work by dozens of volunteers. We came together to honor our history, celebrate the school's present success, and look forward to a bright future enlivened by significant challenges. What was most evident in that evening, as it was during the entire anniversary celebration, was how each of us, no matter our connection to St. Mary's, has plays a critical role in the development of this 125 year tradition of excellence in Catholic education.

Thanks to your support, we have been able to expand course offerings, enhance our academic technology, provide needed funds for scholarships and financial aid, and strengthen professional development initiatives for our talented faculty and staff. We are especially pleased by the growth in our Institutional Advancement programs, including the Annual Fund and the St. Mary's Golf Open and All-Time Reunion, as it signifies the strong commitment of our alumni and friends to an exceptional school so important to so many of us.

Most importantly, thank you for continuing to be there for St. Mary's. Without the

“Thanks to your support, we have been able to expand course offerings, enhance our academic technology, provide needed funds for scholarships and financial aid, and strengthen professional development initiatives for our talented faculty and staff.”

support of our alumni, parents and friends, we would be unable to provide the affordable, high quality Catholic education offered at St. Mary's High School today. Your loyal support and generosity is most appreciated and needed as we look to build upon the great work being done to ensure that St. Mary's remains a preeminent Catholic institution on the North Shore for generations to come.

Best Regards,

Anthony F. DiCroce '67, Chair
St. Mary's Board of Trustees

Joan Luise Hill '71, Vice Chair
St. Mary's Board of Trustees

FROM THE DIRECTOR OF INSTITUTIONAL ADVANCEMENT

I am pleased to report that the St. Mary's advancement program continued to grow and thrive in 2007. We gained a great deal of momentum from the Ours is to Build capital campaign and we have been able to sustain that over the last few years, including 2007, which is detailed in this report.

As you know, St. Mary's has undergone a remarkable renaissance over the past 15 years. Thanks to the leadership of Msgr. Garrity and our board of trustees, our school is as strong as it has ever been in 127 years of educating the young people of greater Lynn.

The key to continued success remains rooted in the extended St. Mary's family, not only the experienced faculty and the administrative team, but also everyone who is committed to our school: trustees, volunteers, alumni, parents and friends.

Thank to the generosity of all of those constituencies, 2007 was a very successful year for Institutional Advancement at St. Mary's. The Annual Fund realized its highest dollar total ever, with more than \$380,000 in gifts contributed by more than 1,200 individuals, companies and organizations.

The Annual Fund is the backbone of our fundraising, with funds raised used for operational expenses, scholarships and tuition assistance, as well as educational and technological support.

ANNUAL FUND GROWTH 1998-2007

We had 136 members of the Richard Cardinal Cushing Society in 2007, exactly twice as many as five years prior. Sister Janet Eisner '58, S.N.D., who served as Commencement speaker for the Class of 2008, will be honored as the 2008 Cardinal Cushing Award recipient in December.

In conjunction with the school's 125th anniversary, St. Mary's launched the Legacy Scholarship Fund, to which \$250,000 was committed in 2007. The Patrick M. Reddy Scholarship Fund stands at more than \$70,000, thanks to the efforts and generosity of Patrick's many family and friends.

The Monsignor John Dillon Day Society was launched in 2007 to assist in the creation of planned long-term gifts such as bequests and charitable trusts. A member of the Girls High Class of 1944 recently bequeathed \$30,000 to St. Mary's.

Beyond the financial support that is so vital to St. Mary's, also important is the alumni networking and activity that takes place locally and nationwide. We maintain communication with our alumni in a variety of ways, including the St. Mary's Educator newspaper and our online community at www.smhlynn.org. In the past year, alumni events were held in cities throughout the country, including: New York; Washington, D.C.; Baltimore;; Atlanta; Naples, Fla.; and Phoenix.

On behalf of our students who directly benefit from your generosity, please accept my sincere appreciation for your continued support of St. Mary's.

Sincerely,

Michael MacNeil

Director of Institutional Advancement

GIVING TO ST. MARY'S

When you make a gift to the St. Mary's, you have flexibility in determining how the funds will be used, as well as many options for making your gift.

Unrestricted gifts are among the most valuable to St. Mary's because they allow the school to allocate funds wherever the need is greatest, and to take advantage of unique opportunities as they arise. Your unrestricted contribution may be used to support costs associated with financial aid, innovations in teaching, teaching tools and equipment, facilities, and much more.

Directed gifts allow you to designate your gift to a specific program, or a priority area at St. Mary's. When you make a directed gift to St. Mary's, you enjoy the satisfaction of knowing you are supporting a program that is personally meaningful to you. You also have the option of designating your gift for current use or for endowment.

TYPES OF GIFTS

Outright Gifts

When you make an outright gift to St. Mary's, your contribution can be put to work immediately — either providing funding for current programs or creating a reliable source of future income by expanding the school's endowment. An outright gift may be composed of almost any asset of value:

Cash gifts — the simplest and easiest gifts you can make — can be made through credit/debit card transactions, outright cash, or personal checks, cashier's checks, or money orders made payable to St. Mary's High School.

Gifts of appreciated securities, stocks, and bonds also provide considerable tax advantages when transferred to St. Mary's before they are sold. If you have held your securities for more than one year, you may find that your gift will provide a two-fold tax benefit, creating an income-tax deduction, as well as helping avoid capital gains taxes that might have been due on their sale.

Gifts of real estate — including personal residences, second homes, income property, and vacant land — offer a wide variety of tax and other benefits.

Gifts of personal property — including rare books, works of art, valuable collectibles, and tangible items of demonstrable value — in some cases may enable you to make a significant gift to support St. Mary's with outstanding tax benefits to you.

Planned Gifts

To learn about deferred or planned gifts, including bequests, life-income plans, and other options for your estate — and for information about increasing your income, earning valuable income-tax deductions, and reducing your estate taxes — please contact Michael MacNeil, Director of Institutional Advancement, at 781-599-0696.

Matching-Gift Programs

An easy way to double or even triple your donation to St. Mary's is to find out if your company has a matching-gift program. Such programs typically match all or a percentage of employee contributions to charitable organizations, making the employer a partner in employees' personal philanthropy. Simply obtain a matching-gift form from your employer's personnel office, fill it out, and provide it to St. Mary's with your contribution.

Gift Pledges

St. Mary's welcomes your gift through a pledge — a formal statement of intention to make a gift to the school. With a pledge, you may complete your gift by making regular payments over time.
